Y. M. C. A. CONVENTION.

A Very Successful Meeting, interspersed with Several Pleasant Events.

The annual county convention of the Young Men's Christian Associations of Ohio county met in Hartford the latter part of last week, extending over Sunday, and was well attended. Several prominent officials of the organization from out of town were present, and also a number of visiting delegates.

The meeting started off with a banquet at Taylor's Hall Friday night. The guests came by invitation and there was a good sized crowd present. Providing the menu and serving of same was in charge of the Ladies' Auxiliary of the Y. M. C. A., of Hartford, and it was a success in the fullest acceptance of the term. The good ladies deserve much credit for their work. The repast was served in courses, and the young ladies who waited upon the guests, bearing their waiters of appetizing viands, presented a charming sight. Dr. E. W. Ford was toast-master and he filled the office to perfection. Quite a number of toasts were given and responded to by speakers present. It was a matter of regret that the junior members of the Y. M. C. A. of Hartford were not invited and present. Their presence would have given much emphasis and pleasure to the occasion. The prime object of the Y. M. C. A. is to benefit the boys of the country—soon to be young men and our future citizenship. The boys constitute the vital object of this splendid christian work. It would seem that they should have a part in every affair of the Y. M. C. A.

Saturday morning and afternoon there were sessions at the Methodist church, followed by a meeting at the Baptist church at night. Sunday morning there was a special consecration service. In the afternoon there was a men's meeting at the court house and a boys' meeting at the Association rooms. Both were well attended and highly enjoyed. Sunday night there was a union service at the Presbyterian church which closed the convention.

The Convention was well attended and highly enjoyed by the people from start to finish. It created much new interest in the movement here and accentuated the great work that lies ahead of the Associations in this county. Nothing more helpful (outside of the church) to the rising generation of young men has ever been instituted, and it deserves the help and encouragement of every citizen who would see his country grow and prosper upon the basis of broad integrity and splendid christian citizenship.

The following men were elected to compose the County Executive Committee for the current year:

HARTFORD—T. J. Morton, G. B. L. Keen, J. R. Pirtle, O. M. Shultz, A. C. Taylor, E. Thomas, Dr. E. W. Ford, F. L. Felix, B. D. Ringo, R. Holbrook.

BEAVER DAM—Chas. M. Taylor, E. D. Oldham, Prof. A. P. Taylor, Dr. S. D. Taylor.

FORDSVILLE—C. E. Ford.

ROCKPORT—D. F. Gibbs.

The County Committee met Monday, elected officers and took up the work of raising the money necessary to run the work this year. A vigorous canvass is being made and it is to be hoped that the people of Ohio county will respond liberally to the support of this organization which means so much to the best interests of our country.

Caught by a Buggy Top.

The young child of Mr. and Mrs. Richard Waltrip, at Beech Grove, had a narrow escape from death at its home last week. The child was playing in a buggy which was standing in the yard. It leaped out of the side of the buggy and suddenly the top fell back. The child was caught by the neck and was held in this dangerous position for several minutes. When it was finally released, life was almost extinct. Had not the child been released as soon as it was, it would have been choked to death in a very few seconds. It was gasping for breath when released.

Can You Eat?

J. B. Taylor, a prominent merchant of Christian, Tex., says: "I could not eat because of a weak stomach. I lost strength and ran down in weight. All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by the use of Kodol Dyspepsia Cure, I concluded to try it. The first bottle benefited me, and after taking four bottles, I am fully restored to my usual strength, weight and health." Kodol Dyspepsia Cure digests what you eat and cures. Sold by J. H. Williams.

Take your Eggs to the Cash Grocery and get 10c per dozen.

Sudden Death of Estimable Citizen.

Capt. S. H. Jesse was found dead in his stable at his home at Enos on Monday morning shortly before 10 o'clock. He was dead when found and his body

had been considerably mutilated by the hogs that were in the lot. An arm was considerably torn and one ear and the side of his head were also badly lacerated. He had been dead about an hour when found. Coroner Hayden was notified and an inquest was held. The coroner's jury found that death had resulted from "a paralytic stroke of the heart."

Capt. Jesse was the father of Mr. Rice Jesse, a former citizen of Hartford and manager for T. J. Turley & Co.
